Include a copy of certification results with your Test Entry form. For dogs with OFA certification, a screen print from the OFA website will be sufficient. It is recommended that dogs over 24 months of age have their hips X-Rayed.

If dog has DNA certification, include a clear copy of the certificate with your entry form.

In order to assist us with the running order the following information would be helpful:

Is it possible your female could be in season during this test? _____

If so, would you consider running on the final day of the weekend? _____

As we get closer to the test date, please contact the Test Secretary and confirm if your dog has come into season.

***NAVHDA Registration Number:** All dogs entered in NAVHDA tests must be NAVHDA registered. The single registration fee is \$15.00. Single Registration forms are available under Forms Express on the web site (www.navhda.org). Call 847/253-6488 for personal attention with questions. Dogs with NAVHDA registration papers should show the owner's name below the breeder's name. If your name is listed below the breeder's name (beige pedigree), transfer of ownership has been completed. If you have a litter registration pedigree (yellow pedigree) a transfer of owner needs to be completed. A transfer of owner card (green) is enclosed in each litter packet and may also be obtained from the web site under Forms Express. Please try to have ownership transfers completed by test date.
